

# SHIELD<sup>me</sup><sup>TM</sup>

# STAND

**SHIELD<sup>me</sup>**™ priority is your safety, **SHIELD<sup>me</sup>**™ stand provides both high level disinfection and sanitization with the Automatic Hand Disinfecting Dispenser, and body temperature detection through Touchless Temperature Measurement to ensure early detection and control of infection.

**SHIELD<sup>me</sup>**™ stand can be used in all types of buildings, mainly where large people gather where it can be located in the entrance lobby, for everyone to sanitize upon entering the building, and at the same time making sure that whoever enters has a regular body temperature.
